Brian Levine will begin the transition to President for the Fall 2018. Dottie asked Chris Thompson for an updated coaches list so she can send Booster communication. The Booster Club would like to make a donation for improvements to the weight and training rooms. Chris Thompson will let us know what they will need after a decision is made regarding the school renovation. Dottie mentioned we need new MTCN co-chairs as well as a sales/fundraising chair. Lacrosse Day will be held on April 28.

Membership Report - Dee reported a parent would like to buy a brick but wants to make sure it can be installed before the student leaves Wootton. Dottie will follow up with Bob Quakenbush on the timeline of brick orders.

Treasurer's Report – Dave reviewed the P&L statement and the Balance Sheet. Dave discussed the possibility of moving part of the balance to a CD or Mutual Fund to generate more cash. He was going to research further and bring findings to the next meeting.

Minutes – December minutes approved. The minutes will be uploaded to the website.

Athletic Director – Chris Thompson reported all falling banners were fixed in the gym. He also indicated signage could be sold to be installed around the scoreboard. Problem could be getting the signs installed. The board approved the purchase of a large rolling ice chest and training table for the trainer. The board also approved to split the cost of new rims and backboards for the lower gym.

Concession Stand - The large Coke machine in the concession stand does not work and will be removed, possibly by a Coke rep.
